Prophecy Of The Punishment Of My Selfish People, My Son

“My son, My Church won’t obey Me. They refuse to do My will. I called and called, but they refuse to preach My Gospel, My son. All they think about is themselves, My son. They refuse to do My will. I called My Church to go into all the world, and that they refuse to do. All that they think about is finances, My son. More money for themselves. Did I not say give up all to follow Me? So why then do they require more, My son? Go into all the world, and that they refuse to do because all that they can think about is themselves and their material gain. Many are going to Hell because they refuse to go all around the world. Finances they require, not Me. Did I not say that I would provide all things to do My will? So then why do they not trust Me but require more for self? That they will not do because they are covetous, and will not obey the word of My prophet, My son. Into Hell they shall go, covetous people of sin and wickedness. They require all for their selfish lives, and they still will not go. Covetous people of sin and wickedness shall be turned into Hell, My son, because they refuse to go and do My will. They will not give up their selfish lives to do My will, but prefer to live in the world of sin and wickedness on the Earth, and will not give it up, My son. They prefer to obey Me not because they want to live in this Earth of sin doing their own things of self and sin of wickedness. They cannot give up self because they love it too much, and refuse to go to preach My Gospel around the world. I have called all to go, yet why do they refuse to go, My son? Only a few will go overseas to do My will– those I will use to do My will, not the masses left behind. Those will go to Hell because they refuse to do My will but their own, My son. My wicked people of selfishness shall be turned into Hell because they refuse to obey Me to go into all the Earth to preach My Gospel. They shall endure eternal damnation in My Lake of Fire forever because they refuse to obey Me. They love to do their own will, not Mine, My son. I shall punish My wicked people of sin and wickedness forever. These selfish people shall never enter My Kingdom because they refuse to do My will, My son. My anger and wrath burns against these wicked people of Mine because all they can think about is self, and their personal gain. They shall burn forever, selfish people of Mine. Your LORD has spoken. Amen and amen forever!”
